

1、Open SearchConfigTool software

2、Click “Common Tool-Record Calc”

3、Click “Add Channel”, input information

4、How to calculate disk size.

Search&Config Tool Build20180307

Network Device Batch Mode Common Tool English

Record Calc SDV Convert Clear IE Plug-in.

Add Channel Delete Channel

NO	Bit Rate	Resolution	Channel Number
☒ 1	4096	1080P(1920x1080)	5
☐ 2	2048	720p(1280x720)	2

choose the channels
which you want use

☐ Enable RAID5

Daily Record 24

Disk Size

= TB

= G

= T* pc

Record Time

1 Day

->Record Time

<- Disk Size

= 0 Week

= 0 Month

5、How to calculated record time.
