一、Way1：Cruise Windows Setting
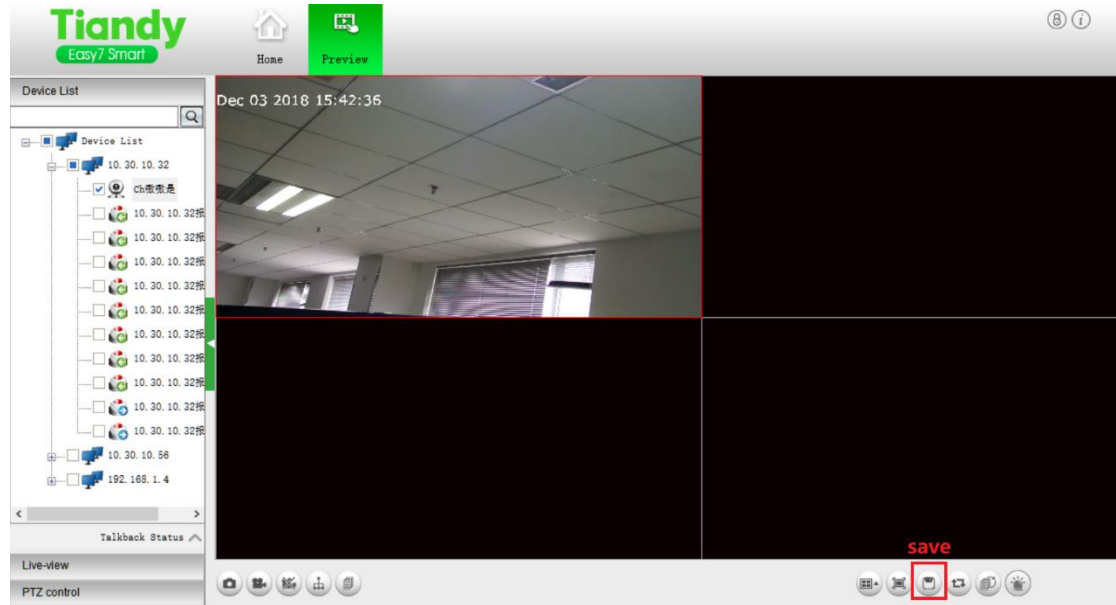

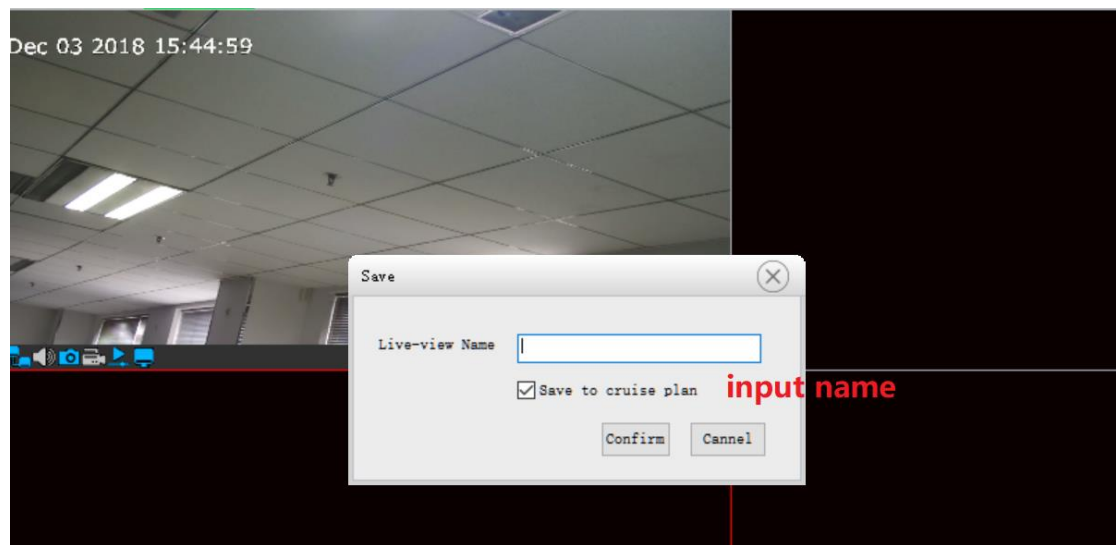

1、Define the number of windows and channels to connect;

For example, 4 windows, then click save.

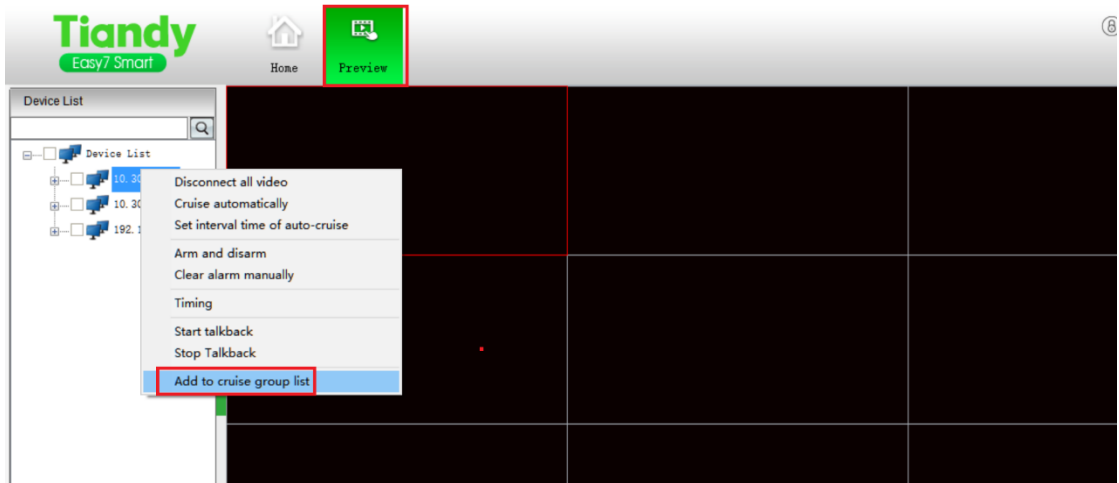

2、Input name

Do again to add other windows;

3、You can see cruise list and stay time. You can modify stay time.

4、Start cruise.

二、**way2：Group Cruise**

1、Add one group to the cruise

2、Check the Cruise Group List.

3、Modify the windows number and time.

4、Begin switch.
